THE EVOLUTION OF A UNIFORM

1989

The iconic automotive workwear staple that started it all.

2005

The first workwear to feature watermark logo printing technology.

2008

An innovative breakthrough in design, featuring industrial-friendly ripstop fabric and anti-scratch protection.

2012

The first uniform to deliver a greater range of motion.

GMC

Certified Service

2017 - BUICK GMC

The next evolution of automotive workwear, featuring a custom look, superior performance benefits, extra durability, and a cutting-edge design.

WHERE HERITAGE, CRAFTSMANSHIP AND PASSION COLLIDE

After 90+ years as a trusted auto image expert, our commitment to innovation and passion for designing purpose-built auto industry workwear is second to none. That's why we're the exclusive uniform provider to nearly every major car manufacturer, outfitting more than 16 million hardworkers and counting. Rest assured that no one builds a better uniform than Red Kap.

“It's easy to take a uniform program for granted. Luckily, Red Kap has been a collaborative partner every step of the way. From innovating new technologies to developing a cohesive look that reinforces our strong brands, their team has changed my expectations for what a uniform partner should be.”
